

STATEMENT

THE Overseas Antigmar will arrive to Bolivar Roads using LSMGO<0.1% S. However her ROB will be low. She will continue to use the LSMGO for as long as it remains safe to do so. If bunker do not arrive till after the LSMGO is consumed she will need to change over the Aux Eng and Boiler to fuel Oil. Main Engine will not be in service hence will not consume any fuel Oil.

Bunkers are not available in Tuxpan (last Port) and ship could not be supplied last call in Beaumont Texas (previous Port).

ETA have advanced due to Ballast operations were cancelled.

Have attached Bunker arrangement, Report form, Passage Plan and copy of Signature agreement as well as this Statement.
